“LET FREEDOM REIGN”
NELSON MANDELA

Dear Customer,

This month we commemorate an important part of our history. On 27 April, we celebrate the first steps taken towards a truly united South Africa. Our country's first democratic post-Apartheid elections, held in 1994.

It is a time to reflect on the great strides we have made in achieving the vision of a better life for all. At SAA, we are committed to spreading the warm spirit of our people to the world and connecting the world with our blossoming nation.

Keep reading to discover more about our great deals, latest news and a few exciting events for you to check out.

Kind regards

South African Airways

SAA News

SAA retains stage 2 status for environmental sustainability

We are proud to announce that we have retained our Stage 2 status in the IATA Environmental Assessment Programme. SAA attained Stage 2 status for the first time in January 2015 and remains at the forefront of environmental sustainability in aviation.

We will strive to continue moving forward in projects such as the tobacco biofuels venture, the introduction of fuel-efficient navigation approaches, and the ongoing drive to embed a culture of environmental sustainability.

SAA Wins Two More Awards

As the national flag carrier of South Africa and Africa's most awarded airline, South African Airways is honoured to be named "Best Airline in Africa" and "Best Business Class to Africa" in the annual Best in Business Travel Awards survey by readers of Business Traveler Magazine. The Best in Business Travel Awards recognises the achievements of the most deserving organisations in the business travel industry. Being selected by the readers of Business Traveler Magazine confirms that SAA is simply the best airline in Africa.

The achievements don't end there. South African Airways Cargo is proud to have won an International Award for Excellence in Air Cargo in the category Air Cargo Brand of the Year in Africa. The award is in recognition of the awareness and trust held for the SAA Cargo brand based on its products and services. This award demonstrates service reliability and is a confirmation that it is the first choice for airfreight users in Africa and those doing business with Africa.
