**HIS LEGACY
LIVES ON**

Dear {FirstName},

In the month of July, we celebrate the memory of a great leader, Nelson Mandela. In celebration of his life and in honour of his legacy, we attempt to keep it alive through our own selfless actions that might just make the world a bit better. He spent 67 years fighting for change; you can start with 67 minutes. The 18th of July is Nelson Mandela Day. How will you make a difference?

The clock is ticking! For the next **seven** days, fares to your favourite SAA destinations are going to be unbelievably low. Seats will be flying fast, so make sure you don't miss out.

SOUTH AFRICAN AIRWAYS ON A WINNING STREAK

SAA was named as **Best Airline in Africa** for the 13th consecutive year. Feedback from SAA's customers also ensured that SAA walked away with the **Best Airline Staff Service Africa** award for the 4th time.

SAA has continued its winning streak after winning two awards at the World Travel Awards™, where SAA was named **Africa's Leading Airline** for 21 years in row. Besides the award as Africa's Leading Airline, SAA's

inflight magazine, Sawubona was awarded as **Africa's leading in-flight magazine**. SAA's low-cost carrier, Mango, was named **Africa's leading low-cost airline**.

World Travel Awards™ is voted for by travel and tourism professionals worldwide, with awards presented this year at a gala ceremony at the Kempinski Seychelles Resort. "These awards add to the recent slew of other awards we've received and recognises that South African Airways is committed to excellence," says Nico Bezuidenhout, SAA Acting CEO.

AFRICAN DESTINATION OF THE MONTH

The Victoria Falls is one of the most spectacular natural wonders of the world, and just one of the scenic marvels you'll find in Zambia. Known locally as "Mosi-oa-Tunya" – the smoke that thunders - the Victoria Falls is the largest curtain of water in the world at close to 2km wide.

The Falls can be seen from Zambia and Zimbabwe, each offering unique perspectives and breathtaking views. South African Airways flies to both destinations

daily and will take you straight to the heart of Africa to experience the true splendour of her natural wonders.
